### Missions Prayer Focus:

**Oasis Young Adult Network** is a local young adult ministry focused on building the body of Christ in the current generation of young adults. Our mission is building authentic community, initiating meaningful conversation, and fostering sacred space to grow with one another in our relationship with Jesus. Please pray that the young adult leaders of Oasis would be equipped and empowered to lead this ministry (as this has all been and continues to be a learning process). That we would continue to reach new young adults who need to hear the Gospel, need discipleship, or need community. That we may continue to push for unity in the greater ministry of young adults in this area.

All announcements and prayer concerns for the Bulletin are due by 9 am on Thursday.
