Missions Prayer Focus: Brandon, Jenna, Jackson & Penelope Clemens

We hope your summers are off to a good start! Things are much slower here on campus. However, we still have some students around and have some small groups and book studies going. Pray that we would minister to these students well and that this summer would also be a time of refreshment for our staff team. Also, pray for our students and staff members who are at our Leadership Training program in Estes Park, CO. This is often a transformative experience for our students and we trust that God will do a powerful work in their lives. Lastly, pray for us as we get ready for the fall. The coming school year should look a lot more normal than the last one and we want God to guide us as we get ready. Thanks so much for your prayers!

Our Mission:

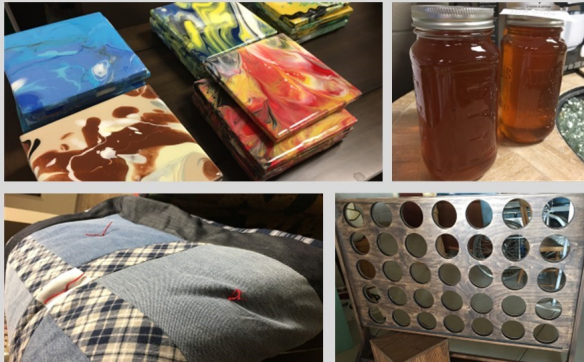

*Making And Launching Disciples Of Jesus
To Transform Our World.*
