## PRAYER REQUESTS

**Tom Zumbrun** was released from Parkview Noble Hospital.

**Erv Bontrager** had surgery on Monday, August 30 and is recovering at home.

### **Missions Prayer Focus:**

#### **The Miller Family CRU**

Pray for our 6 local Caspian teammates, that the Lord would keep them strong in their faith even in the midst of hardship, persecution from family, attacks from the enemy, etc. Pray for the 80 people we have met with and given new testaments to over the last few months. We continue to meet with several of them to talk more about who Jesus is and invite them to follow Him. In our majority Muslim country it has been encouraging to see how many people are interested in hearing more about the Bible and the love of Christ. They are finding us through our social media presence and are actually reaching out to us to hear more! Pray for the 3 local churches we work with - that they would grow in maturity, their love for the word of God, and that they would faithfully live out the gospel in their communities, even at great risk to them. Please pray for full healing for our family - we have all been fighting sickness over the last couple of weeks. We're so grateful for your prayers and faithful partnership with us. It is a privilege to labor for the Gospel together!
