Time To Revive

We just had a great time of connecting and vision casting with the Time to REVIVE missionaries from all over the US. We met for three days in our shop enjoying worship, teaching, prayer, and listening to the Holy Spirits direction for each of us individually, by state, nationally, internationally, and as a corporate team. It was a great time reconnecting with team members who haven't seen each other for awhile. God showed up in fun and interesting ways!!! Now we need to implement what we heard for ourselves individually and corporately. We would encourage each of you to take intentional time to listen to what the Holy Spirit is speaking to you for direction in your life. It is such a rich blessing from the Lord.

Our Mission:

*Making and launching disciples of Jesus
to transform our world.*
