# Missions Prayer Focus Les & Barb and Hope Stutzman Time To Revive

Our main prayer focus is for the Indiana team and the need for remnant around the state and what that should look like, it's purpose, function, and character. How many of our past outreaches have a viable remnant and are they still active and to what degree? Our planning now will set the stage for how we walk things out in 2022; the direction that God is pointing us in as we pursue this has been very exciting. Also, be in prayer for persons of peace that could potentially help lead us toward new communities and outreaches. We are in the process of adding a new missionary to the state team. Pray for open doors as he/she goes through the training next week in Dallas.

### WELCOME TO CLINTON FRAME!

If this is your first visit, we invite you to fill out a **Connections Card** found in the back of the pew and place in the offering box in the foyer or return to the Info Center for a gift. We would love to get to know you!
