Missions Prayer Focus Jon, Lindsay, Hannah & Lily Birkey World Gospel Mission

What a blessing it was to have a team from Clinton Frame join us for a service trip in January. With their help, we have now finished up two more apartment units for young ladies. We are only one unit away from finishing our apartments! We are also excited to announce that we are going to have a maternity center open up on campus starting in May. God continues to bless us with amazing opportunities to meet the least of these in our community. In January, Jon took over the role of Field Director for our mission agency. He now oversees the missionary team in Arizona and New Mexico. Pray for wisdom as he seeks to support and encourage his co-workers.

Our Mission:

Making and launching disciples of Jesus to transform our world.
