

## World & Community

**Pray for the Nation's Leaders.** Pray for the safety and protection of our government leaders at the national, state, and local levels. Ask God to use them and lead them according to His will and that each one would come to saving faith in Jesus. Pray that each would serve with integrity, humility, and servant's heart. Ask God to continue o raise up godly leaders with wisdom, discernment, and courage to make decisions that align with God's ways.
