Pray for First Responders. Thank God for the police, firefighter, and EMTs who risk their lives for others. Ask God to keep them safe in every situation and give them wisdom as they do their duties. Pray for emotional protection and mental well-being, as the things they see and observe are sometimes traumatic. Ask God to lead each one into a saving relationship with Him and understanding that they can lean on Him in all things at all times. Pray for each one to ask God to show you ways you can express your gratitude and appreciation for the first responders.

Pray for a spirit of understanding at Clinton Frame. The church is not a place for perfect people. Because of that, mistakes will be made and people's feelings will get hurt. Pray that these universal problems of humanity will not cause members of the church to look down on some while elevating others. But that all members will realize and accept that everyone in the church is a sinner—some saved by faith and some that the Lord is still wooing.
